Dear O.M.

Your letter of February 6th received and read at our last meeting February 10th.

You can expect quite a number of the Milwaukee gang with you on this evening and would like to hear from you further as to the exact time and place.

In regard to speaking on your program - at the present time there is nothing that I know of that I could speak on. However, I talked to 9DTK and no doubt one of the gang will have something to say.

Hoping your QSO party is a success, I am

Fraternally yours,

FREEMONT D. SCHUNCK, 9AFZ
